Dear Parents, Guardians and Caregivers,

The last day of school, we made it! I know this last part of the year was challenging for you as parents & guardians as you navigated the pandemic as it related to careers, childcare, staying healthy, and the overall safety of your family. I could not be more proud of Aseltine's staff, community and parents for helping our students finish out the school year. This experience will no doubt help teach our students the "grit" that it takes to succeed in tough times such as these with COVID19. So congratulations to YOU and your students for making it until the end of the year!

Many of you are probably wondering what classes at Aseltine will look like in the fall. Regretfully (at this time), we are not sure what school will look as of August 31. Our plans will be based on recommendations and guidance from the California Department of Public Health (CDPH) and contracting school districts. We will be in touch with each of you to conduct a parent survey during the beginning of Summer School as part of our planning for the Fall. I encourage everyone to follow Aseltine's webpage and social media sites for updates this summer as it relates to the 2020-2021 school year. Again, thank you for your ongoing flexibility, understanding, and grit. Keep your family and loved ones healthy and safe. **We will get through this together.**

Sincerely,

May Padilla
Executive Director
